ABOUT ATOZ WOOD COMPANY

Your Trusted Timber Supplier from Cameroon to Singapore

With years of experience in the international timber industry, **AtoZ Wood Company** is a trusted exporter of premium African hardwood logs, sawn timber, decking boards, flooring timber, veneers, and custom wood products. Based in Douala, Cameroon, we serve importers, wholesalers, furniture manufacturers, construction companies, and timber merchants across Singapore and more than 30 countries worldwide.

We source our timber responsibly from well-managed forests and follow strict quality control procedures throughout harvesting, processing, grading, packaging, and container loading. Our experienced team ensures every shipment meets international export standards and customer specifications.

Whether you require a full container of hardwood logs, kiln-dried sawn timber, or customized timber solutions, we provide reliable supply, competitive pricing, and efficient global logistics to support your business.
